

## GMR Trivia

This month we have a new format. Ajay wants you all to talk back, ask questions and share your ideas. You can mail him at [ajay@gmrwebteam.com](mailto:ajay@gmrwebteam.com) with the subject line vRock Feb 2022.

Let's focus on being a team player this month. To quote Andrew Carnegie, "Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results."

Since you will all be coming back to the office soon enough, you may relate the lines below

Coming to Office after Rounds of Lock Downs

Whose office is this,  
I think I know.  
I have been working here  
A year and more  
  
This flight of stairs leads me  
To my desk, I think  
Is it this one  
Or the one next to the pink?  
  
I had breakfast before coming  
And yet my stomach  
Is again grumbling  
  
Pampered at home  
by comfort and care.  
This office seems cold  
Striped of convenience  
More than I can bear.  
  
Is this Abhay or Mahesh?  
In masks and coats  
I cannot make.  
  
Who are the three chatting together?  
Looks like Sumit and his team  
Oh, look, they are clapping together.  
  
Happy to be back  
To be doing great work  
No internet woes  
Or errands to dispose  
  
Is that Guria with her tea?  
Great! Now I can focus totally.

## The GMR Web Team Trivia Quiz

1. What does GMR stand for?
2. When was GMR founded?
3. Can you name two SaaS products developed by GMR?
4. When is Ajay's birthday?
5. How many offices in India does GMR Web Team have?
6. Which company has GMR acquired recently?

Please send your response to [pravinsingh@gmrwebteam.com](mailto:pravinsingh@gmrwebteam.com)

The first 3 correct entries will get a coupon of Rs. 500.

## Know Your Colleagues

### Nitesh Patel

I was born and raised in Patna, Bihar. I got into engineering and completed my B.tech from Punjab Technical University. I first got to know about digital marketing and SEO in 2017. I then started exploring SEO and started my own personal blogs in 2018 and was able to rank them on Google and other search engines. However, digital marketing is vast, and I wanted to learn more. Thankfully, Repugen provided me with this opportunity, and I joined this organization in October 2020. Here I have learned a lot of things, and I am still learning from my seniors and colleagues. In my free time, I love to watch TV shows and spend time with my family.

### Vinit Kumar Sinha

I was born and brought up in Patna (Bihar) in a family of advocates. Denying everybody's expectations, my father guided me towards the IT industry. After completing my graduation in Physics Hons. I did M.C.A. from Shivaji University, Kolhapur, Maharashtra. After working for a few years outside Bihar, I returned to my mother's soil. Before joining Repuen, I used to work in NIC, Patna. I joined RepuGen Team in September 2020 as a Software engineer. Since then, I have learned many technical and professional skills from my seniors and colleagues. Currently, I handle TCI and CAI projects and report to Sonu Kumar. Besides my profession, I like watching movies, listening to music, learning, and exploring new things. I also spend my spare time with my 9-year-old son.

## THE HR SPEAKS

### Welcome, New Hires!
