GMR Trivia

Our CEO wishes everyone a safe and colorful Holi in advance!

It's going to be a busy fortnight ahead. Aziz is already on a visit, and Sangeeta will also be in Patna during the annual review days. We hope to have lots of positive changes in 2022. We have started by reducing the work hours based on your requests.

If you can find time, here are a few reading recommendations for this month:

Chatter: The Voice in Our Head and How to Harness It by Ethan Kross

Mindset: The New Psychology of Success by Carol S Dweck

Moonwalking with Einstein: The Art and Science of Remembering Everything by Joshua Foer

Also, there's going to be a "workstation" contest...

Take a day, decorate your workstation and reply on email to hr@gmrwebteam.com with a picture of your workstation. Please mention the category you want to compete in.

The Categories are:

- » Best Decorated Workstation
- » Professional and Creative
- » Informative

The top 3 winners will get an Amazon e-voucher of Rs. 500. All the best.

Know Your Colleagues

Priya Singh

I was born and brought up in Hazaribagh, Jharkhand. I did my schooling at D.A.V Public School, Hazaribagh, and then completed M.H.R.M from L.N Mishra, Patna, in 2020. I got the opportunity to serve GMR Web Team as an OME from 1st December 2020, and since then, I have learned a lot of new stuff, thanks to my teammates and seniors. I have been very fortunate for the constant support and guidance from my colleagues. Apart from this, I love reading novels, eating, and spending time with my friends.

MD Saleh Ashraf

I was born and raised in Siwan, Bihar. I did my schooling at Siwan. Then I completed my BSc.IT from Punjab Technical University. After that, I pursued my MCA from Jaipur National University. Coding has always excited me, so I started as a programmer in ISCIT Services Pvt. Ltd. In New Delhi in 2018, before joining FirstBit Digital Technologies in February 2021 as a Software Engineer. Here I got the opportunity to learn many things from my seniors and teammates. Talking about my hobbies, I like listening to music, playing cricket and reading books. My ambition is to implement new technologies and stay updated in the IT sector.
