Sonam Raj

I was born and brought up in Patna, Bihar. I pursued my B.Tech in CSE from Punjab Technical University, Punjab. Following that, I completed my M.Tech. in CSE from RGPV, Bhopal. I joined FirstBit Digital Technologies in June 2021 as a Software Engineer. Here I got the opportunity to work under Sonu Sir and learned many things that helped me grooving my technical skills and knowledge. I always believe in the three D's: dedication, determination, and discipline. I also believe that it's never too late to achieve your dreams. "Believe you can, and you're halfway there." After office, I spend most of my time with my one-year-old daughter and enjoy my motherhood.
